Chi Sigma Iota is the international honor society of counseling professionals and professionals-in-training dedicated to excellence in scholarship, research and clinical practice. The purpose of Chi Sigma Iota is to promote and recognize exemplary attainment in counselor education and the practice of counseling. Chi Sigma Iota currently has 269 chapters, 14,239 active members, and 69,896 initiated members as of April 30, 2010.

The Sigma Upsilon Chapter of Chi Sigma Iota was founded at Syracuse University in November 2004. We currently have over 50 active members, and over 150 initiated members.
