

The ICI Saturday Series

12:00–2:00 Saturday

February 11th, 2012

At Jowonio School

3049 East Genesee St. Syracuse, NY

Hi Everyone! Our February meeting is coming up, and a reminder that we would love to see you! This will be a fun gathering, with an activity to help everyone have an opportunity to connect with each other in a “meet and greet” activity...this will be a one-to-one chance for each FC user and their communication support partner to have time to talk with each other, and to connect with each FC user, there! Rick Meives and Anne Marafino will take the lead for this activity. It sounds like a lot of fun! Just a reminder to bring in any ideas or even a sketch of your ideas for a logo for our Saturday Series FC group.

Please RSVP by Thursday, February 9th, 2012!
