

SIMULATIONiQ™ Counseling—Access Video: Student

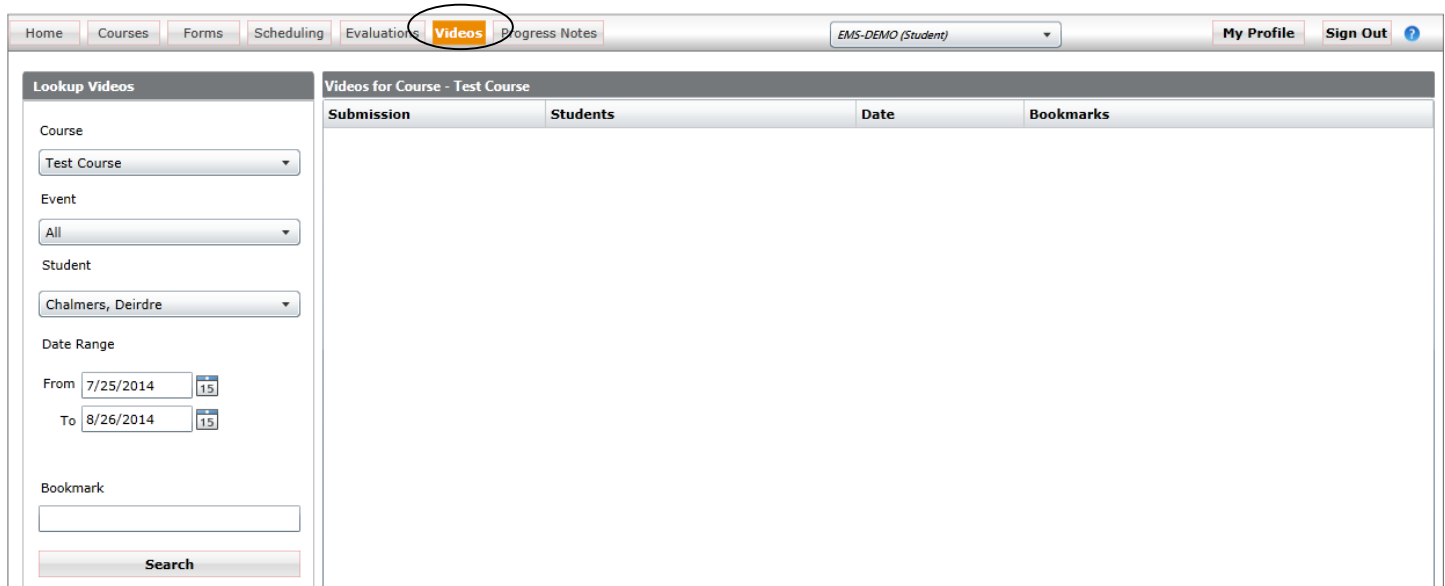

To access videos in SIMULATIONiQ Counseling, follow the instructions below.

Video

Click **Videos** to search for videos uploaded to the web application and recorded in the Video Recording application.

Search by:

- Course
- Event
- Date Range
- Bookmark

Submission	Students	Date	Bookmarks
------------	----------	------	-----------

1. Click **Videos**. The Videos search screen appears.
2. You must enter the search criteria to search for videos and then click **Search**. The videos that meet your search criteria appear in the grid.
3. Double-click the video you wish to view. An acknowledgement screen appears.

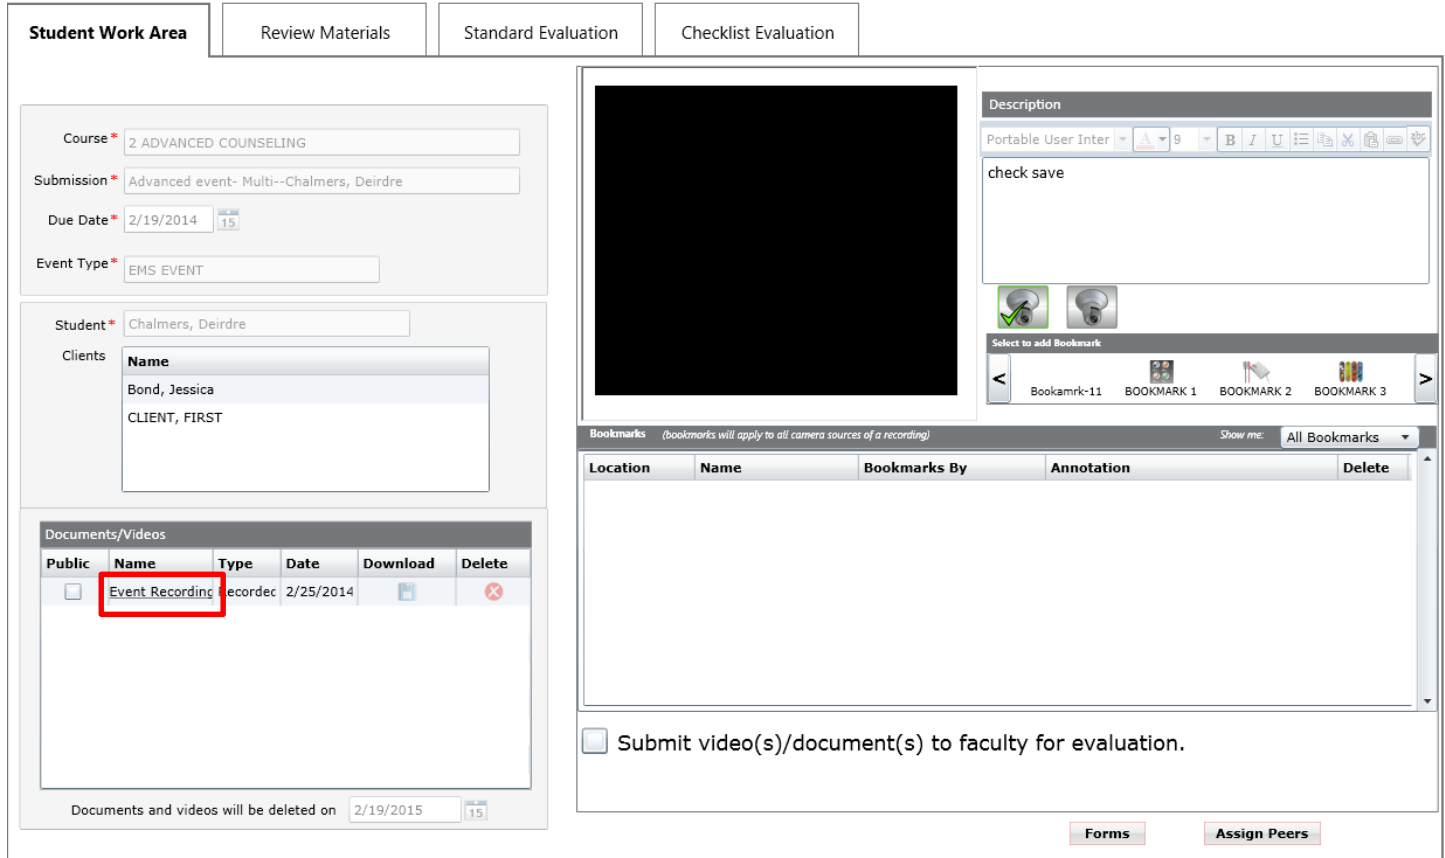

The application will be running through out the video playback. So, please make sure to close the video before leaving your work station.

I acknowledge and agree that it is my responsibility to close the video if and when I will not be watching. If I fail to do so, I would be in violation of HIPAA rules and regulations and would bear all penalties allowed by the law.

Continue

IMPORTANT! Once you select a video, an acknowledgement checkbox appears to remind you to close the video when finished viewing to avoid HIPAA violations.

4. Click the acknowledgment checkbox and then click **Continue**. The Student Work Area appears.

The screenshot shows the 'Student Work Area' interface with several sections:

- Navigation:** Review Materials, Standard Evaluation, Checklist Evaluation
- Course Information:** Course: 2 ADVANCED COUNSELING, Submission: Advanced event- Multi--Chalmers, Deirdre, Due Date: 2/19/2014, Event Type: EMS EVENT

Location	Name	Bookmarks By	Annotation	Delete
00:00:05	BOOKMARK 1	Zhang, Greg		
00:00:08	BOOKMARK 2	Zhang, Greg		
00:00:10	BOOKMARK 3	Zhang, Greg		
00:00:13	BOOKMARK 4	Zhang, Greg		

Use **Bookmarks** to mark the video at a desired location. Bookmarks allow for quick location and review of important events that take place within the recording and are available to anyone reviewing the video in the future.

- Multiple users can add bookmarks to a video. Only the user who created the bookmark can edit or delete it.
- Click the drop-down arrow to display all bookmarks or filter by your bookmarks.
- The grid shows which user bookmarked the video (such as for a team session).

Checklist Evaluation

Student Work Area

Completing the Evaluation Checklist

- For multiple choice questions, click the appropriate checkbox for each question based on the evaluation scale. **Note:** Click the **Evaluation Scale** link to view how the evaluation scale is defined.
- For text responses, type your response in the text box.
- In the **Comments** field, click the drop-down arrow to add more feedback as needed.
- To add an overall comment on the evaluation, click **Overall Comment**.
- Click **Submit** once the evaluation is complete.

Submitting the Evaluation to Faculty

Submit video(s)/document(s) to faculty for evaluation.

1. Click the **Student Work Area** tab.
2. Click the **Submit video(s)/document(s) to faculty for evaluation** checkbox.
3. Click the **Submit to faculty** button. The Submission will appear in the Completed Items area of your Dashboard.
