A CREDENTIAL FILE

Contains letters of recommendation and serves as an integral part of the job application process. Once your file contains at least 3 reference letters, copies of these letters can be sent to potential employers at your email request. We will not send any more than five letters out at a time. This file remains active for the duration of your career life and can be updated at any time.

WHAT IS INCLUDED IN YOUR FILE?

The credential file contains *only letters of recommendation*. Resumes, transcripts, and other documents are not included.

SHOULD THE LETTERS BE CONFIDENTIAL OR NON-CONFIDENTIAL?

School districts typically prefer confidential letters; therefore, it is advised to waive access to your letters. If you sign the recommendation form as non-confidential, you may read the letter only. Sealed confidential and non-confidential letters cannot be provided to a student under any circumstance.

WHEN SHOULD A FILE BE ESTABLISHED?

The fall of your senior year or the year that you student teach. It is important to request a recommendation letter while knowledge of your abilities is still fresh in the writer's mind.

WHEN SHOULD YOU REQUEST TO HAVE THE FILE SENT?

A job application may indicate that recommendation letters are required when submitting materials or the employer may request letters at a later time in the interview process. Please email all requests to edparker@syr.edu.

ADDITIONAL INFORMATION REGARDING CREDENTIAL FILE SERVICE

- ❖ The School of Education Career Services office reserves the right to refuse sending credential files for any account that has accrued 6 or more unpaid mailings.
- ❖ Recommendation writers should be the most familiar with your experience and ability. Recent graduates should make every effort to obtain letters from people associated with student teaching, practicum experiences and internships.
- ❖ Blank recommendation forms and return envelopes will be issued upon opening your file. Courtesy dictates that you provide the writer with a stamped envelope.
- ❖ Recommendation forms which accompany the letters require both the applicant's and writer's signatures. If you retain your right to access (non-confidential), you may read the letter. If you waive your right of access (confidential), you may not read it or see any content of the letter.
- ❖ **Check with the Education Career Services Office approximately one month after distributing the recommendation forms. If a letter does not arrive in a timely fashion, you may need to remind your recommendation writer.**
