

Inclusive Programs Distribution (Smiley Face) List - Spring 2022

- This list is for picking liberal arts distribution courses for the 8 requirements in the Liberal Arts Skills & Distribution block in Degree Works.
 - A maximum of 6 of the 8 distribution courses may also be used in your concentration.
 - For a course to double count in your concentration, it must have a smiley face in your concentration's column.
 - You need a minimum of 6 upper division (numbered 300+) courses for your concentration
- Concentration courses that aren't also meeting one of the 8 distribution requirements do NOT need to (but can) come from this list. See guidelines on your concentration checklist.
- See course prerequisites on MySlice (part of the course detail). Selected Topics sections (ending in "00") may not have prerequisites listed on MySlice, or might have prerequisites mentioned under "notes."
- Be prepared with some choices and alternatives. Your first choices may be closed!
- The same course may be listed in more than one section of the distribution list. However, you may NOT use the same course to meet two different distribution requirements.

When you register, be sure course numbers AND course titles match the list.
